## Waste separation system with frame guide system

This complete set for cabinet widths of 550 mm comes with an additional 11.5 litre bin, a voluminous storage space for recycling materials or cleaning utensils. This large bin is ideal for bigger quantities of organic waste or as additional storage space in the kitchen base unit. At the heart of the waste system is the 35 litre main container for the bin liner. The Premium drawer integrated in the set with full-extension runner can be used as storage surface for washing-up liquids

- ▶ Low complete system for 550 mm body width
- ▶ 35 litre main container for 35 or 17 litre Swiss charge sacks.
- ▶ Easier bag clamping with four movable bag clamps
- ▶ Large 11.5 litre additional container for more space for recycling and storage
- ▶ Premium drawer with additional storage space supplemented by two trays
- ▶ Robust pre-assembled drawer Pro with 70 kg load capacity
- ▶ Guaranteed durability despite daily use, moisture and dirt
