

Pre-assembled drawer 50 Pro

Art. No. 80.61.201

Waste separation system with frame guide system

Thanks to its robust design, this ready-made drawer for X-LINE systems with a cabinet width of 500 mm can withstand heavy loads, moisture, dirt and water. Designed for long-term use, it is ideal for both initial fitting and renovation work. The Grass pull-out technology, which has been tried and tested a million times over, promises quiet and reliable operation. In addition, the drawer guarantees a high load capacity and excellent durability even in the event of heavy moisture, dirt and daily use. With a load capacity of up to 70 kg, it is equipped for a wide range of requirements. The integrated 3D adjustment technology enables millimetre-precise alignment

- ▶ Suitable for a narrow cabinet width of 500 mm
- ▶ Pre-assembled drawer for both original equipment and for use in renovation projects
- ▶ Grass pull-out technology proven millions of times over for quiet and reliable operation
- ▶ High load capacity and excellent resistance to moisture, dirt and daily wear and tear
- ▶ Quick and easy assembly of the sophisticated design
- ▶ Load capacity of up to 70 kg
- ▶ Millimetre-precise front alignment thanks to the integrated 3D adjustment technology
