## **Waste system for hinged doors**

The system is designed for kitchen cabinets from 500 mm width. In addition to the voluminous main container for bulging 35 litre waste sacks, the system includes a practical storage lid for cleaning utensils, sack rolls and more. Thanks to the innovative bolt and easy cleaning of the cabinet, this system combines foolproof handling and maximum storage space.

- ▶ Bouncy waste bags thanks to large main bin
- ► Compatible with the divider (accessory) for the clean use of two waste bags
- ► Easy to remove thanks to the newly developed bolt for fixing the bin
- More storage space thanks to the storage lid for bag rolls, cleaning utensils and more
