

# X55 L7 Premium

Art. No. 80.50.306

## Waste separation system for pre-existing rails

This waste system for cabinet widths of 550 mm has voluminous storage space for recyclables or cleaning utensils, thanks to the 12.5-litre additional bin. The extra-large bin is ideal for larger quantities of organic waste or as additional storage space in the kitchen base cabinet. The heart of this system is its 40-litre main bin for the waste bag. The set includes a premium drawer with full extension that can be used as storage surface for washing-up sponges or similar items.

- ▶ X-LINE waste system for 550 mm cabinet width.
- ▶ Extra-large additional bin for more recycling and storage space.
- ▶ 40-litre main bin with movable clamps for easier bag clamping and fuller waste bags.
- ▶ Premium drawer with full extension and two additional trays for even more tidiness.
