

# X60 L7 Basic

Art. No. 80.50.405

## Waste separation system for pre-existing rails

This X-LINE version for cabinets with a width of 600 mm excels with an extra-large additional bin. The additional bin is ideal for storing larger quantities of organic waste, recyclables or cleaning utensils. The heart of the set is the 40-litre main bin for normal household waste. This waste system is completed with the basic drawer for even more storage space.

- ▶ X-LINE waste system for 600 mm cabinet width.
- ▶ Extra-large 18-litre additional bin for larger recycling quantities or as a generous starting space.
- ▶ 40-litre main bin optimised for 35-litre waste bags and unique X-LINE technology for easier clamping and fuller waste bags.
- ▶ Basic drawer for additional storage space.
