

Waste separation container X60 L5

Art. No. 80.51.401

System for pre-existing rails

This container combination for cabinets 600 mm wide features four additional containers for waste separation and storage. The 8, 5, 1.6 and 3.1 litre containers can be used for storing dishwashing tabs and cleaning utensils, or for collecting batteries or green waste. In the large main container with a capacity of 40 litres, 35-litre official bags can be filled to the brim.
