

X60 L5 Premium Pro

Art. No. 80.60.402

Waste separation system with frame guide system

With seven bins, this premium complete set for the 550 mm cabinet width offers almost unlimited options for separating and storing goods. The additional storage spaces are particularly useful for collecting smaller recycling materials such as coffee capsules, organic waste or batteries. The Premium drawer unit with full extension can be fully utilised as storage surface. Thanks to the two integrated additional trays, cleaning utensils and kitchen gadgets can be neatly organised. The set also includes the 40 litre main container for the bin liner. The system is supplied with the robust pre-assembled drawer Pro.

- ▶ Complete system for 600 mm cabinet width
- ▶ 40-litre main container for 35 or 17 litre Swiss charge sacks
- ▶ Simpler bag clamping with four movable bag clamps
- ▶ Base tray with 8-litre and 5-litre containers
- ▶ Up to seven recycling options and 31 % more storage space than comparable systems
- ▶ More organisation and convenience. Two additional trays on the Premium ball-bearing mounted full-extension drawer
- ▶ Robust pre-assembled drawer Pro with 70 kg load capacity
- ▶ Guaranteed durability despite daily use, moisture and dirt
