

Pre-assembled drawer 40 Pro

Art. No. 80.61.001

Waste separation system with frame guide system

This pre-assembled drawer is designed for a cabinet width of 400 mm and therefore for the narrowest X-LINE systems. Thanks to the tried-and-tested Grass pull-out technology, our pre-assembled drawer is particularly quiet and reliable. It has a high load capacity and excellent resistance to moisture, dirt and daily wear and tear. With a load capacity of up to 70 kg, the pre-assembled drawer can easily accommodate even heavy loads. Millimetre-precise alignment is made possible by the integrated 3D adjustment technology.

- ▶ Suitable for a narrow cabinet width of 400 mm
- ▶ Ready to use drawer for both original equipment and for use in renovation projects
- ▶ Grass pull out technology proven millions of times over for quiet and reliable operation
- ▶ High load capacity and excellent resistance to moisture, dirt and daily wear and tear
- ▶ Quick and easy assembly of the sophisticated design
- ▶ Load capacity of up to 70 kg
- ▶ Millimetre precise front alignment thanks to the integrated 3D adjustment technology
