

# Pre-assembled drawer 60 Pro

Art. No. 80.61.401

## Waste separation system with frame guide system

This pre-assembled drawer is designed for X-LINE systems with 600 mm wide kitchen base units. Grass pull-out technology, tried and tested a million times over, ensures quiet and reliable operation. It is ideal for first-time use or installation during renovation work, can withstand a load of up to 70 kg and, thanks to its high-quality finish, offers excellent resistance to moisture, dirt and everyday wear and tear. Its installation is well thought-out, simple and time-saving. In addition, the integrated 3D adjustment technology enables the drawer front to be precisely aligned down to the millimetre.
