## Waste system for hinged doors

The waste system for hinged doors is particularly suitable for small kitchen cabinets and can be used from a width of 400 mm. The system's main bin is ideal for using 35 or two 17-litre waste sacks. The set also includes a practical storage lid that provides additional storage space for kitchen utensils.

- ▶ With practical storage lid for storing bag rolls, cleaning utensils and more
- ▶ Easy to remove thanks to the newly developed bolt for fixing the bin
- ▶ Compatible with the divider (accessory) for maximum flexibility and clamping of two waste bags in the main bin.
