

# Pre-assembled drawer 45 Pro

Art. No. 80.61.101

## Waste separation system with frame guide system

The prefabricated drawer is designed for a cabinet width of 450 mm and offers quiet and reliable extension and retraction of the waste system thanks to tried-and-tested Grass pull-out technology. It is versatile and can be used for both initial fitting and renovation projects. With a load capacity of up to 70 kg, the pre-assembled drawer can also handle heavier loads with ease. It also features a high load capacity and excellent resistance to moisture, dirt and daily wear and tear. The integrated 3D adjustment technology enables precise front alignment down to the millimetre.

- ▶ Suitable for a narrow cabinet width of 450 mm
- ▶ Pre-assembled drawer for both original equipment and for use in renovation projects
- ▶ Grass pull-out technology proven millions of times over for quiet and reliable operation
- ▶ High load capacity and excellent resistance to moisture, dirt and daily wear and tear
- ▶ Quick and easy assembly of the sophisticated design
- ▶ Load capacity of up to 70 kg
- ▶ Millimetre-precise front alignment thanks to the integrated 3D adjustment technology
