## Waste separation system with frame guide system

This complete set for cabinet widths of 550 mm comes with a 12.5 litre additional bin, a voluminous storage space for recycling materials or cleaning utensils. This large bin is ideal for larger quantities of organic waste or as additional storage space in the kitchen base unit. At the heart of the waste system is the 40 litre main container for the bin liner. The Premium fully extendable drawer integrated into the set can be used as storage surface for washing-up sponges or similar items. The system is supplied with the robust pre-assembled drawer Pro.

- ▶ Complete system for 550 mm body width
