

X55 L7 Basic

Art. No. 80.50.305

Waste separation system for pre-existing rails

This version of the X-LINE offers an extra-large additional bin giving even more space for recyclables and storage. Equipped with a 40-litre main bin and a 12.5-litre additional bin, the waste system offers enough space for mixed household waste and recyclables. The basic drawer offers further storage space for washing-up sponges and the like.

- ▶ X-LINE waste system for 550 mm cabinet width.
- ▶ Extra large additional bin for more recycling and storage space.
- ▶ 40-litre main bin with movable clamps for easier bag clamping and fuller waste bags.
- ▶ Basic drawer for additional storage space.
