X40 L35 Pro Water

Art. No. 80.60.002

Waste separation system with frame guide system

This complete set is the tailor-made solution for kitchen base units with laterally positioned water treatment systems. The extra small system has been specially designed for kitchen base units with a width of 500/600 mm. The 40 liter main container is positioned to the side to provide more space for additional installations and is complemented by the lid, which also serves as a storage surface. The system is supplied with a robust pre-assembled drawer Pro.

- ▶ For kitchen base units with side-mounted water treatment systems
- ▶ Asymmetrical installation of the ready-to-use drawer for cabinet width 500/600 mm
- ▶ Narrow design offers more space for additional installations
- ▶ 40 litre main container
- ▶ Includes lid as storage surface and pre-assembled drawer Pro
