

X60 M5 Premium Pro

Art. No. 80.60.404

Waste separation system with frame guide system

This premium complete set for the 600 mm cabinet width for low kitchen units has seven bins for almost unlimited separation and storage options. The additional storage compartments are particularly useful for collecting smaller recyclables such as coffee capsules, organic waste or batteries. The premium drawer with full-extension runner can be fully utilised as an upper storage surface. Thanks to the two integrated additional trays, cleaning utensils and kitchen gadgets can be neatly organised. The set also includes the 35 litre main container for the bin liner. The system is supplied with the robust pre-assembled drawer Pro.

- ▶ Low complete system for 550 mm cabinet width
- ▶ 35-litre main container for 35 or 17 litre Swiss charge sacks
- ▶ Simpler bag clamping with four movable bag clamps
- ▶ Base tray with 8-litre and 5-litre containers
- ▶ Up to seven recycling options
- ▶ More organisation and convenience. Two additional trays on the Premium ball-bearing mounted full-extension drawer
- ▶ Robust pre-assembled drawer Pro with 70 kg load capacity
- ▶ Guarantees durability despite daily use, moisture and dirt
