Waste separation system for pre-existing rails

This is the new X-LINE version for all those who prefer to collect their waste in 17-litre waste bags. The smaller main bin with a volume of 20 litres is supplemented with two 10-litre additional bins. Whether recyclables, organic waste or cleaning utensils, there is a place for everything in this X-LINE waste system. And the X-LINE premium drawer with full extension and two additional trays provides even more storage space and order in the kitchen base unit. This model is designed for a low drawer height and a cabinet width of 550 mm.

- ▶ X-LINE waste system for 550 mm cabinet width and low drawer heights.
- ▶ 20-litre main bin for waste collection in 17-litre bags.
- ▶ Two additional 10-litre bins give extra storage space for various recyclables.
- ▶ Premium drawer with additional storage surface and two additional trays for even greater order.
