Waste separation system for pre-existing rails

Do you have larger quantities of organic waste or need more storage space for cleaning utensils? Then this X-LINE version is your choice. Designed for cabinets with a width of 600 mm, the set has an 18-litre additional bin. This extra-large additional bin is accompanied by the 40-litre main bin for normal household waste. With X-LINE technology, the 35-litre standard waste bags are child's play to clamp and fill. The premium drawer that completes the whole set has, in addition to full extension, two additional trays in which washing-up sponges and the like can be neatly stored.

- ▶ X-LINE waste system for 600 mm cabinet width.
- ▶ Extra-large 18-litre additional bin for more storage space and more room for recyclables.
- ▶ 40-litre main bin for 35-litre waste bags with unique X-LINE technology for effortless bag clamping and even fuller waste bags.
- ▶ Premium drawer with additional trays and full extension for more order and convenience.
